

All Saints Catholic School

April 23, 2009

To whom it may concern,

All Saints School's faculty and staff have selected our school emergency readiness as a priority for our school. Our safety committee is preparing procedure guidelines for any potential disaster in our area. Our goal is to be a model school for readiness, to practice drills often, and to educate staff, parents and community of our plans. We believe familiarity through practice will minimize confusion, injuries, and protect lives.

We are in need of many supplies that will allow us to reach our goals. Our most urgent needs are medical and shelter supplies. Attached is a list of items we are hoping your business can donate or offer any monetary value towards purchasing. Any contribution is greatly appreciated. Contact or mail donations to:

Dear Madam:

We have received your inquiry regarding your organization's federal tax exempt status.

Our records indicate your organization is exempt under section 501(c)(3) of the Internal Revenue Code, and it is not a private foundation, within the meaning of 509(a) of the Code, because your organization is described in sections 509(a)(1) and 170(b)(1)(A)(i). Your organization is included in the group ruling issued to the United States Conference of Catholic Bishops. The United States Conference of Catholic Bishops is listed in Publication 78. Donors may deduct contributions to your organization under section 170 of the code.

As your organization is included in a group ruling, there is not an individual exemption letter for it. The group exemption letter applies to all of the subordinate organizations on whose behalf the United States Conference of Catholic Bishops has applied for recognition of exemption. If you want a copy of the group exemption letter, please contact your central organization.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

John E. Ricketts, Director, TE/GE
